

Vendor Meet for MCMV Equipment with participation of Kangnam from 27 to 30 June 2016.

Goa Shipyard Ltd. (GSL) is organizing a vendor meet for Mine Counter Measure Vessels (MCMV) Programme of Indian Navy in Goa from 27th to 29th June, 2016. Following are intended to be achieved.

- a) Identify vendors interested in participating in MCMV Project
- b) Increased level of Indigenization in line with 'Make in India' Policy of Govt
- c) To ensure that vendors are aware of specialized requirements like
Magnetic, Acoustic signature etc applicable for this special class of vessel.

Meet will comprise of B2B meetings between the prospective vendors, GSL and Kangnam Corporation Ltd., Korea. Large no Korean companies with expertise in MCMV equipment will also be present. Firms supplying equipment to Indian Navy / Coast Guard desirous of participating in MCMV programme may contact us on following,
